

## Notification of Industrial Estate Authority of Thailand

No. 21/2560

Re: Anti-Corruption Policy

---

Industrial Estate Authority of Thailand (I-EA-T) conducts its business with adherence to ethical and transparent operations, along with the prevention and combating of corruption and the best interest of all stakeholders, with regard to the principle of Good Governance. Therefore, I-EA-T determines Anti-Corruption Policy for its personnel in order to comply with such policy as follows;

1. To conform strictly to relevant Laws, Regulations, Rules, Notifications, Orders, as well as Anti-Corruption Policy, in addition not to commit any suspected acts of corruption.
2. To carry out duties regarding I-EA-T business activities with transparency, and disclose organizational strategic information to stakeholders, and work together with I-EA-T.
3. To perform duties with honesty, integrity and accountability related to Good Governance.
4. Not to accept or support all forms of corruption, whether directly or indirectly, and not to be negligent in any suspected acts of corruption in order to establish the organizational culture.
5. To comply strictly with Work Manual or Performance Standard regarding I-EA-T's core business, and regularly audit business transaction, whether follow with the Policy, Work Manual or Performance Standard, in order to ensure that is consistent with working conditions and environment.

Notified on the 23<sup>rd</sup> day of February B.E. 2560 (2017)

(Mr. Verapong Chaiperm)

Governor of Industrial Estate Authority of Thailand
